CORFIOTIC SIGNATURE SPA THERAPIES

Inspired by the flora of Corfu, the fertile land of our island, the Greek mythological Gods and the therapeutic practices of Hippocrates.

THE OLIVE ROOT SPA JOURNEY

75' | €155

There are estimated to be as many as 4 million olive trees on Corfu island, some of them over 400 years old. Our Olive Root Spa Journey begins with a full body massage using a blend of massage oil infused with olive oil extracts, rich in vitamin E, that helps relieve inflammation and pain. The ritual rounds up with a face cleansing experience, using a clarifying mud mask, powered by rosemary, lemon, kaolin clay and olive oil, which makes it a potent, anti-inflammatory and anti-oxidant, with its natural antibiotic properties.

KORYFO OF SENSES: THE MYTHOLOGY SPA MASSAGE CEREMONY

60' | €145

Our island's name Corfù, is the Latin version of the Byzantine name *Κορυφώ* (Koryphō), meaning "city of the peaks". Inspired by this, our team of experts have developed this ritual that aims to take your senses to the peak, through a holistic massage experience, that roots itself in relaxing techniques, with slow flows, easing your mind and body, making you feel more grounded to your being. Encouraged by the flora of Corfu, we use a blend of pine and eucalyptus, that have therapeutic associations to the nervous system, bringing your body to a more relaxed state.

HIPPOCRATIC THERAPEUTIC MASSAGE

60' | €140

This Massage Ritual is based on the Massage Principles of Hippocrates, an advocate of Massage. Hippocrates referred to massage as friction or rubbings, and that it should have the effect of relaxing, constricting, thickening, and thinning. With a healing approach this massage focuses on Head & Neck as the crown of the body, feet as the base of the body and the abdomen, center of the body aiming to a healthier system, through targeted detox and cleansing. An all-rounded therapeutic experience, that begins with dry brushing of the body and ends with a mist of Kefir Tea water to awaken the senses.

The body is shifted to a rest-and-digest state and by massaging the areas of concern, we encourage the body to surrender all toxins and enter a maximum relaxation state.

The Method supports cell activity, which is responsible for balanced hydration, firmness, equal pigmentation and protection of the skin, in order to fight against intrinsic and extrinsic aggressors. It refines the surface by boosting the exfoliation metabolism and sealing the skin to prevent *TEWL* (Transepidermal Water Loss). The combination of science-based formulas, cutting-edge technology and state-of-the-art massage techniques send an external trigger to the fascia, namely the tissue; this is where all of the cell communication processes take place. This synergy delivers highly-targeted individual stimulation, triggering a sequence of highly-individualized regenerative processes. Augustinus Bader products could be thought of as a toolbox that the skin yields the most benefits from. These creations resolve all skin-related problems effectively, taking the optimal amount of time to attain the most suitable solution for individual skin needs.
